Here Howard Becker makes available for an English-speaking audience a collection of the provoca-

tive work of Antonio Candido, one of the leading men of letters in Brazil. Trained as a sociologist, Candido conceives of literature as a social project and is equally at home in textual analyses, discussions of literary theory, and sociological, anthropological, and historical argument.

Antonio Candido: On Literature and Society on JSTOR

"Antonio Candido is one of Brazil's most important literary scholars. I should place his best essays on a par with Erich Auerbach's work on Baudelaire's *Fleurs du Mal* in *Scenes from the Drama of European Literature* or some of the chapters in *Mimesis*. An even closer parallel would be some of the critical essays of Octavio Paz.
