International Financial Reporting Standards (IFRS) is a set of accounting standards developed by an independent, not-for-profit organization called the International Accounting Standards Board (IASB). The goal of IFRS is to provide a global framework for how public companies prepare and disclose their financial statements.

The fourth edition of Applying IFRS Standards explains the core principles of International Financial Reporting (IFRS) Standards. It also addresses the skills needed to apply the standards in busi-

ness environments. The book begins with an overview of the International Accounting Standards Board (IASB) and how it establishes accounting standards.
