Ephesians: The Love We Long For offers Scripture-based, theologically rich content with an easy-to-follow structure to engage readers. Smith invites men and women to reflect of the God of the Bible by reading the book of Ephesians slowly. He shares how the New Testament letter presents the love we all deeply long for-God's great love for us in Jesus. ture-based teaching, Smith helps readers see Jesus more clearly in the themes found in the book of Ephesians.

At the heart of Jesus' call to us is the call to love others. But this can be so difficult. For one thing, others are not always very lovable; for another, loving others sometimes gets in the way of our own self-interests. But if we want to follow Jesus, love needs to be our lifestyle, and the way we treat others really does matter. It's not all sacrifice and pain, though. To be in loving relationship with others is to be truly alive--and it's the source of our greatest joy. This study will help you love others the way Jesus desires. You'll learn how to study the Bible as you examine and discuss topics such as Loving Others, Loving Our Families, Fellowship with Others, Getting Along with Others, Opposition from Others, Sharing Our Faith with Others, Serving Others. Each chapter has three main sections: Group Study (materials for a sixty- to ninety-minute small-group Bible study); Study Resources (notes and comments for use in both group and personal study); Personal Study (a series of reflection questions for use by group members on their own during the week). Extra help is available at the end of the book in the sections The Art of Leadership (tips on how to lead a small group) and Small Group Leader's Guide (notes on each session). The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus. Through an examination of the spiritual disciplines of Bible study, prayer, and worship, we experience what it means to be a spiritual pilgrim--walking in a new way with God. And we look at how this new way changes the way we view others and live our lives in Christ. PILGRIMAGE GUIDES: Learning to Love God Learning to Love Ourselves Learning to Love Others

God didn't create marriage to frustrate us, test us, or to make us feel unworthy or inadequate. He created marriage to be the most fulfilling and sacred of all human covenants. It was designed to be passionate and rewarding and to meet our deepest needs and desires. And it was meant to last a lifetime. So how do you build an indestructible marriage that is filled with passion, purpose, and excitement? In Lifelong Love Affair, Jimmy Evans shows couples how to embrace God's dream for their marriage, cultivate romance and fun, and fulfill each other's spiritual, emotional, and sexual needs. With more marriages today ending in divorces than ever before, and more young people cohabiting rather than getting married, the message of this book is sorely needed. Any married couple and anyone considering marriage will find Lifelong Love Affair an essential tool they will turn to again and again for inspiration and strength. Foreword by Drs. Les and Leslie Parrott.

In this six-session video Bible study (DVD/digital video sold separately), Karen Ehman, New York Times bestselling author of *Keep It Shut*, helps you rediscover the life-changing joy that comes from putting others first. In a culture that tells us a me-first, you-second way of living is the key to happiness, Ehman explains that the key to moving forward in almost every facet of your life is to embrace backward living. Becoming a person who thinks about others first takes effort. It requires you to live alert. To be on the lookout in conversations for "heart drops"—hints of kindness you might grant to the person right in front of you, right where they are. But it is worth it. Listen, Love, Repeat gives you both the encouragement and practical, daily ways you can reach out to others with both planned and random acts of kindness. Topics include loving your family and friends, encouraging co-workers, reaching out to the lonely, blessing the "necessary people" who help you get life done every day but often go unnoticed, and many others who could use an act of thoughtfulness. An additional focus on modeling for your children a lifestyle that listens and loves is accompanied by doable ideas for you and for your family. The Listen, Love, Repeat Study Guide includes video notes, group discussion questions, individual activities, Scripture memory verses, and between-sessions personal studies. Sessions include: Finding Your Big "Why?" Let Love Complete the Circle When You Live a Life of Welcome How to Hug a Porcupine and Squeeze a Skunk Family Matters The Boomerang of Blessing Designed for use with Listen, Love, Repeat Video Study 9780310082668 (sold separately). Student Study Guide With IBM® SPSS® Workbook for Research Methods, Statistics, and Applications 3e gives students opportunities to practice and apply their knowledge. Written by the authors of the main text, this study guide follows the textbook and offers practice quizzes, in-depth exercises, research application questions, and instructions and exercises for SPSS.

In this five-session video-based Bible study (DVD/digital video sold separately), bestselling author and pastor Bill Hybels challenges you to make doing life together a priority, exploring from the book of Proverbs how experiencing community and growing in wisdom are inseparably linked and offering practical direction on how to experience this with others. All of us want to get better at life. Getting wiser alone, however, is not the way it works. God didn't wire us to catch onto wise and godly living through lone-ranger attempts at learning; it's something that rubs off on us when we spend time with others who have the wisdom of God living inside of them. As the proverb says, "Iron sharpens iron as one person sharpens another." This study is designed with both new and experienced group leaders in mind. For new leaders, it includes optional weekly DVD training sessions (DVD sold separately) to help them lead a fantastic, first-time small group experience. For experienced leaders, it includes a "Going Deeper" section for those ready to take this content to the next level. Is it better to prove our point? Or just try to love? Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy for us to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love but never proclaim a better way, we short-circuit God's plan. As believers in Christ, we need to be known for both truth and love. In this video Bible study, evangelist Matt Brown draws on the example of the apostle Paul to show how believers can influence their world with the truth while living in a way that reveals their love. By developing the fruit of the Spirit, we naturally begin to draw others to the love of Christ within us . . . and to the truth found in God's Word. Truth plus love is the formula for transforming our lives and influencing the world for Christ. The Truth Plus Love Study Guide includes video teaching notes, discussion questions, Bible exploration, and weekly personal study and reflection materials. Sessions include: Truth Plus Joy Truth Plus Peace Truth Plus Gentleness Truth Plus Faithfulness Truth Plus Patience Truth Plus Love Designed for use with the Truth Plus Love Video Study (9780310112358), sold separately. Streaming video also available.

Timothy and Kathy Keller will show you a portrait of marriage as it's meant to be according to the Bible...by first throwing out most of what we've been taught about love. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that marriage does not mean 'til death do us part, but merely for as long as my needs are being met; and that when serious differences arise, divorce is the best solution. But all of these modern-day assumptions miss what marriage is really about. In this six-session video-based Bible study (DVD/digital video sold separately), Timothy Keller, along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental, yet hopeful and beautiful. This study is for anyone from singles to couples considering marriage to those who have been married for any length of time. Sessions include: Service: Marriage Isn't about You Covenant: Created to Make Promises Roles: Loving through Mutual Submission Singleness: Strengthening the Spiritual Family Sex: The Act of Covenant Renewal Hope: Seeing the Great Horizon Designed for use with The Meaning of Marriage Video Study (sold separately).

Why the call to Love Thy Body? To counter a pervasive hostility toward the body and biology that drives today's headline stories: Transgenderism: Activists detach gender from biology. Kids down to kindergarten are being taught their bodies are irrelevant. Is this affirming--or does it demean the body? Homosexuality: Advocates disconnect sexuality from biological identity. Is this liberating--or does it denigrate biology? Abortion: Supporters deny the fetus is a person, though it is biologically human. Does this mean equality for women--or does it threaten the intrinsic value of all humans? Euthanasia: Those who lack certain cognitive abilities are said to be no longer persons. Is this compassionate--or does it ultimately put everyone at risk? In *Love Thy Body*, bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues. Pearcey then turns the tables on media boilerplate that misrepresents Christianity as harsh or hateful. A former agnostic, she makes a surprising and persuasive case that Christianity is holistic, sustaining the dignity of the body and biology. Throughout she entrances readers with compassionate stories of people wrestling with hard questions in their own lives--their pain, their struggles, their triumphs. "Liberal secularist ideology rests on a mistake and Nancy Pearcey in her terrific new book puts her finger right on it. In embracing abortion, euthanasia, homosexual conduct and relationships, transgenderism, and the like, liberal secularism . . . is philosophically as well as theologically untenable."--Robert P. George, Princeton University "Wonderful guide."--Sam Allberry, author, *Is God Anti-Gay?* "A must-read."--Rosaria Butterfield, former professor, Syracuse University; author, *The Secret Thoughts of an Unlikely Convert* "An astute but accessible analysis of the intellectual roots of the most important moral ills facing us today: abortion, euthanasia, and redefining the family."--Richard Weikart, California State University, Stanislaus "Highly readable, insightful, and informative."--Mary Poplin, Claremont Graduate University; author, *Is Reality Secular?* "Unmasks the far-reaching practical consequences of mind-body dualism better than anyone I have ever seen."--Jennifer Roback Morse, founder and president, The Ruth Institute "Love Thy Body richly enhances the treasure box that is Pearcey's collective work."--Glenn T. Stanton, Focus on the Family "Essential reading . . . Love Thy Body brings clarity and understanding to the multitude of complex and confusing views in discussions about love and sexuality."--Becky Norton Dunlop, Ronald Reagan Distinguished Fellow, The Heritage Foundation "Pearcey gets straight to the issue of our day: What makes humans valuable in the first place? You must get this book. Don't just read it. Master it."--Scott Klusendorf, president, Life Training Institute

This twelve week study shows how the historic understanding of Covenant helps us build a love-for-a-lifetime Marriage. Marriage is not what our culture—or we— say it is. What is the one flesh relationship that was designed by God?

When two enter a Covenant, the identity of each party enters the other. This produces a bond of shared identity between the two and alters the nature of each—"what God has joined together." God's instructions are logical consequences of these realities. We love the other as we love ourselves because the other is now part of us. Our hearts want to love, but we do not love consistently. Why? Because our guidance system our old sense of self-interest—pulls in other directions.

Covenant is not just a tie that binds. It is also a plan that teaches us what to do, why we do these things, and how we become able to do them. Our married self is a new self. Obedience does not oppose our nature; it authentically expresses our new self and new bond. Shifting our guidance system to follow God's plan and building this new life is the path to the best Marriage.
